

MEDICAL MUSEUM SCIENCE CAFÉ

CRITICAL CARE IN THE AIR

TUESDAY, MAY 28, 6-7 P.M.

Join U.S. Air Force Major Alexander Kheradi, M.D. to learn about his experiences as an emergency medicine physician and member of the Critical Care Air Transport Team based in the National Capitol Region. He will describe this unique and highly specialized team, composed of a physician, nurse and respiratory therapist, responsible for the transport of critically injured patients to a higher level of care using military aircraft.
